

Key: writing in [brackets] denotes the poses the character models make in conversations. *Italicised* lines are cutscenes. **Bolded** sections are gameplay segments, where players have to complete word search puzzles to continue, or spell out words specific to the action on screen.

Tilly and the gang creep down the alleyway. As Tilly's about to round a corner, she sees Finn talking to three people near a street torch.

They are wrapped in scarves and makeshift hoods and coats, and their faces are covered in shadow.

Finn's back is to Tilly, and the three figures are facing him.

WORDSEARCH GAMEPLAY: Eavesdrop on Finn's conversation

Lux: Is it done?

[finn suspicious]

Finn: Yeah.

[lux curious]

Lux: And you think I'll take your word for it?

Lux: Well...Where is it?

Finn takes a large Skyreaper egg out of his bag, raises it above his head, and smashes it on the ground in front of them.

Tilly's face lights up in horror. Joshua fizzles with rage.

On the floor, a broken Skyreaper egg and its contents muck the stone. Luc nods. Boomy giggles with excitement.

Finn: Is this proof enough for you?

Lux: Good.

Arya: Pretty boy finally got his hands dirty!

[finn smirk]

Finn: I told you it was a piece of cake.

Tilly's eyes thin into slivers. Her hands ball into fists. Eleanor is wide-eyed at the scene, but notices Tilly's about to pop off. She reaches out a hand to stop her, but it's too late.

Tilly storms into the alley and heads right for them. She can finally see the raiders' faces clearly. They're the same three raiders who attacked Tilly's train many moons ago.

As Finn turns to see the commotion, his face drops in horror.

[tilly furious]

Tilly: You again!? You're the raiders who attacked me!

Tilly (to Finn): And you! You lied to me!

Lux: Attack you? That's a mighty accusation to throw around.

Lux: Any evidence of this... attack?

[finn alarmed]

Finn: Tilly, what are you doing here?!

Lux: Do we have a problem?

Finn: No, no. She doesn't know anything.

Arya: Sounds like she knows *something*.

[arya teasing]

Arya: You got feelings for her?

[arya laugh, luc laugh, tilly angry]

Boomy: Kaboom! Hehe.

[tilly furious, addresses Finn]

Tilly: You're... one of them?

[Finn pleads]

Finn: It's not...it's...

[joshua pointing, red with rage]

Joshua: You'll be sorry you messed with my friends!

[three raiders look surprised]

Lux: Who's this little critter? Friend of yours?

Joshua: You're a bad man! You broke it!

Lux: You mean...All this fuss...over an egg?

[three raiders laugh]

Lux: Careful, boy. If any more words come out of your mouth...

Lux: I'll take your tongue.

Lux unsheathes his cutlass, pointing it right at Joshua's face. Arya smacks her fist, and Boomy begins jumping up and down with excitement.

But then Eleanor appears behind Tilly, smacking her punching stick into her palm. Arya's eyes widen as she sees the weapon that took them down before.

Kaden emerges behind Eleanor, holding his stave over his shoulder like a baseball bat.

Joshua whistles, and Fang leaps from the shadows to stand beside him, growling. Joshua stretches his slingshot back, aiming it right at them.

Then, behind the raiders, Dale and Harvey appear, Dale raising his fists, and Harvey raising his frying pan. The raiders look around, clearly outnumbered.

WORDSEARCH GAMEPLAY: Standoff against the Raiders

[arya scared]

Arya: Boss, that woman with the stick-

[lux cautious]

Lux: I know.

[lux side glance]

Lux: I think this party just got a bit crowded. Don't you...

Boomy: Boomy?

Boomy pulls a bomb from his disguise, laughs, and throws it to the ground.

Immediately, a ball of smoke erupts, and the raiders make their escape, knocking over both Dale and Harvey as they go.

Finn is frozen for a second. He shoots Tilly an apologetic glare through the smoke, and then runs into the cloud. Tilly is equal parts angry and shocked - it's a lot to take in!

TIMED WORD GAMEPLAY: 'D-O-D-G-E'

The Raiders emerge from the city's back streets into the main square, running past Tilly's train.

As Tilly and her gang enter the square, the raiders have already thrown the massive sheet off their makeshift train and are starting it up. Then, something catches Tilly's eye on her own train. It's Boomy, and he's planted a bomb on her train. And, just like before, he jumps off as it explodes.

As Tilly gets up, she sees Finn standing on the open cart of the Raider train. He's folding something in his hands. Then, he launches it - it's a paper airplane. It sails towards Tilly, and she catches it.

She looks down at it, and then up at Finn as the train pulls off. He glances at her, down at the ground, and then heads inside the cabin. Tilly is left holding the paper plane, staring at the train in disbelief, disappointment, and sadness.
